

Devil's Lake State Park Summer Naturalists Program

Contact: Sue Johansen, Naturalist, 608-356-8301 ext. 140

Sunday, June 1, 2014

- **Flutter-by-Butterfly.** What are orange, yellow, blue, black, and purple? Butterflies! We'll take an up-close look at butterflies and go on a butterfly hunt! Meet at the Nature Center. 11 a.m.-noon
- **Drop in on Bats.** Bats are one of nature's misunderstood creatures. Drop in and find out which bats live in Wisconsin, dispel some bat myths, and learn about the bats at Devil's Lake. Activities will happen at the North Shore Beach by the Chateau. 1-3 p.m.

Thursday, June 5, 2014

- **MysTREE Hunt.** Trees are all around, but how closely do you look at them? Join us to check out the MysTREES around the Nature Center through fun games and activities. Meet at the Nature Center. 11 a.m.-noon
- **Exploration Station-Fish.** Drop by the Exploration Station to take a closer look at fish! We'll have lots of hands-on activities so you can discover the underwater lives of fish. You can even practice your fishing in our pretend fish pond. These activities will happen outside the Nature Center. 1-3 p.m.
- **Moth Watch.** Do some moth watching! Check out the moth light station and see what's attracted to the nightlight. Or, take a self-guided walk to the moth bait stations and see what's attracted to our special moth juice. Drop in anytime to find out why moths rule the night! Meet at the Nature Center. Starting at 9 p.m.

Friday, June 6, 2014

- **Go on Scavenger Hunt-Naturally!** We're going on a scavenger hunt and you're invited to play! See how many different things you can find hidden in the natural world that's waiting to be explored. Meet at the Nature Center. 11 a.m.-noon
- **Exploration Station-Fur, Scat, and Tracks.** Drop by the Exploration Station to check out some mammal furs, scat, and tracks! Try our identification game and see how well you know your animal signs. These activities will happen outside the Nature Center. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.
- **Explore the Night Sky.** Join the Madison Astronomy Society (MAS) to learn about the night sky. MAS will have several telescopes set up and show you cool features about the moon, point you towards some winter constellations. This is more of an informal program where you can come anytime and the MAS volunteers will help you get to know the night sky. Meet at the north shore boat launch parking lot. 8:30-10:30 p.m.

Saturday, June 7, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 8-10 a.m.
- **Exploration Station-Bugs!** Drop by the Exploration Station to check out bugs! We'll have lots of hands-on activities about the bugs and their relatives. These activities will happen outside the Nature Center. 10 a.m.-noon
- **Animal Feeding Day.** Watch the animals in the Nature Center have lunch! Watch the box turtles munch on some salad. See the gartersnake slurp down a fish. Look at the treefrogs as they tackle a cricket or two. Meet at the Nature Center. Starting at 11 a.m.
- **Drop in on Bats.** Bats are one of nature's misunderstood creatures. Drop in and find out which bats live in Wisconsin, dispel some bat myths, and learn about the bats at Devil's Lake. Activities will happen at the North Shore Beach by the Chateau. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.
- **Meet the Ranger.** Visit with a ranger to see what their job is like. Check out the equipment and the squads they use. See what you can do to become a Jr. Ranger Meet at the Northern Lights Amphitheater. 7:30-8:30 p.m.

Sunday, June 8, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 8-10 p.m.
- **Alphabet Hike.** Letters are hiding everywhere you go! See if you can find the whole alphabet by the end of our hike. Meet at the Nature Center. 11 a.m.-noon
- **Drop in on Owls.** Whooo goes there? Owls of course! Find out what owls live at Devil's Lake, dissect an owl pellet, and learn how owls find their way in the dark. Activities will happen at the North Shore Beach by the Chateau. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Monday, June 9, 2014

- **Monday Strolls-Texture Adventure.** Wake up your fingers and go exploring! We'll stroll through the woods looking to touch things that are soft, prickly, rough, and slippery! Meet at the Nature Center. 11 a.m.-noon
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Tuesday, June 10, 2014

- **Animal Feeding Day.** Watch the animals in the Nature Center have lunch! Watch the box turtles munch on some salad. See the gartersnake slurp down a fish. Look at the treefrogs as they tackle a cricket or two. Meet at the Nature Center. Starting at 12:30 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Wednesday, June 11, 2014

- **Nature Tales-Do Touch!** Join us for an hour of stories-naturally! Fun awaits your 3 to 8 year old as we wake up your fingers. Come and touch things from nature that are soft, prickly, rough, and slippery. Meet at the Nature Center. 11 a.m.-noon
- **Exploration Station-Birds.** Drop by the Exploration Station to test your knowledge of birds! We'll have lots of fun activities to see if how well you know these backyard visitors. These activities will happen outside the Nature Center. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Thursday, June 12, 2014

- **Learn to Fish.** Want to try fishing but don't know what to do? Join our *Learn to Fish* program and we'll show you how! We'll have fun activities that will teach you the basics of fishing, before sending you off to catch some fish. If you are 16 and older, you'll need a fishing license. We'll supply all of the equipment and bait. Meet at the north shore boat launch. 9-11 a.m.
- **Animal Evidence Hike.** There's lots of wildlife at Devil's Lake, but we rarely see them. On this walk, we'll look for animal tracks, nests and holes, browsed plants and other animal evidence. Meet at the Nature Center. 11 a.m.-noon

Thursday, June 12, 2014 (cont.)

- **Exploration Station-Photo Scavenger Hunt.** Drop by the Exploration Station to go on a scavenger hunt! You'll need to take pictures of what you need to find! Bring a camera or borrow one from the nature center. We have a very limited supply of cameras to loan. You'll even be able to turn one of your photos into a keepsake to take home. These activities will happen outside the Nature Center. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.
- **Lawn Chair Bat Watch.** It's a great time to bring a comfy lawn chair and watch the bats! We'll park our chairs by the bat condo and watch the bats emerge from the houses. We'll have fun bat information and a bat scavenger hunt for the kids to do while the wait to the bats to emerge. Meet at the bat condo (near the north shore boat launch). Starting at 8:30 p.m.

Friday, June 13, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 8-10 a.m.
- **Exploration Station-GO! Geocaching.** Drop by the Exploration Station to learn to geocache! We'll show you how to use a GPS and then send you off on this high-tech treasure hunt. These activities will happen outside the Nature Center. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.
- **Bats and Boats** Join us for a unique way to enjoy the bats at Devil's Lake-on the water! We'll launch around dusk and head out to watch the bats swoop and glide as hunt for their dinner. You'll need to bring your own kayak, canoe, or boat to participate. Meet at the North Shore Boat Launch. 8:30-10 p.m.

Saturday, June 14, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 8-10 a.m.
- **Exploration Station-Tracks!** Drop by the Exploration Station and make some tracks! See if you can read the stories animals tracks leave behind. You can even make a track to take home. These activities will happen outside the Nature Center. 10 a.m.-noon
- **Animal Feeding Day.** Watch the animals in the Nature Center have lunch! Watch the box turtles munch on some salad. See the gartersnake slurp down a fish. Look at the treefrogs as they tackle a cricket or two. Meet at the Nature Center. Starting at 11 a.m.
- **Drop in on Snakes.** Snakes are everywhere at Devil's Lake. Visit with a live snake, find out what snakes live at the park, make a snake to take home with you, and more! Activities will happen at the North Shore Beach by the Chateau. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.
- **Stuck on the Rocks.** Find out what happens when there's a climbing emergency on the bluffs of Devil Lake. Members of the Baraboo District Ambulance Service will show you the techniques and equipment used in rope rescues. Presented by the Baraboo District Ambulance Service. Meet by the Chateau (North Shore Concessions). 7:30-8:30 p.m.

Sunday, June 15, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Thursday, June 19, 2014

- **Under the Water.** Fish aren't the only creatures swimming under the water. We'll grab some nets and head down to the lake to discover just what's swimming under the surface. Meet at the Nature Center. 11 a.m.-noon
- **Exploration Station-Fish!** Drop by the Exploration Station to take a closer look at fish! We'll have lots of hands-on activities so you can discover the underwater lives of fish. You can even practice your fishing in our pretend fish pond. These activities will happen outside the Nature Center. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.
- **Moth Watch.** Do some moth watching! Check out the moth light station and see what's attracted to the nightlight. Or, take a self-guided walk to the moth bait stations and see what's attracted to our special moth juice. Drop in anytime to find out why moths rule the night! Meet at the Nature Center. Starting at 9 p.m.

Friday, June 20, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 8-10 a.m.
- **Explore Nature Hike.** Come and explore the trails with a naturalist and find out what interesting things are out there. You provide the curiosity and we'll provide the investigating tools to help you discover the wonders of nature. Meet at the Nature Center. 11 a.m.-noon
- **The Long Walk for Birds: Walking Across WI for Bird Conservation.** Bill Mueller walked 246 miles across Wisconsin last spring, with two big goals: (1) to raise funds via pledges to the Bird Protection Fund, and (2) to raise awareness about bird conservation. Bill accomplished both of those tasks. He will share adventures from his "Long Walk for Birds," look at the 158 species he recorded, the \$10,000+ raised, and more on enlisting your help for the next (the 2014) Great Wisconsin Birdathon. Bill is director of the Western Great Lakes Bird & Bat Observatory. 8:30-9:30 p.m.

Saturday, June 21, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 8-10 a.m.

Saturday, June 21, 2014 (cont.)

- **Exploration Station-Fur, Scat, and Tracks.** Drop by the Exploration Station to check out some mammal furs, scat, and tracks! Try our identification game and see how well you know your animal signs. These activities will happen outside the Nature Center. 10 a.m.-11 p.m.
- **Animal Feeding Day.** Watch the animals in the Nature Center have lunch! Watch the box turtles munch on some salad. See the gartersnake slurp down a fish. Look at the treefrogs as they tackle a cricket or two. Meet at the Nature Center. Starting at 11 a.m.
- **Drop in on Deer.** White-tailed deer are everywhere, even here at Devil's Lake! Drop in to discover how deer use their senses, how they communicate, and the signs they leave behind. Activities will happen at the North Shore Beach by the Chateau. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.
- **Meet a Turkey Vulture.** If you've ever wanted to know more about those big birds circling the bluffs, this is the program for you! Join Lisa Hartman and her turkey vulture, Uncle Butsie, for this fun and interactive look at the turkey vulture. Meet at the Northern Lights Amphitheater. 8-9 p.m.

Sunday, June 22, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 8-10 a.m.
- **Flutter-by-Butterfly.** What are orange, yellow, blue, black, and purple? Butterflies! We'll take an up-close look at butterflies and go on a butterfly hunt! Meet at the Nature Center. 11 a.m.-noon
- **Drop in on Bats.** Bats are one of nature's misunderstood creatures. Drop in and find out which bats live in Wisconsin, dispel some bat myths, and learn about the bats at Devil's Lake. Activities will happen at the North Shore Beach by the Chateau. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Monday, June 23, 2014

- **Monday Strolls-Nature Shapes Hunt.** Stars, circles, squares - shapes are everywhere in nature! If we look closely, we'll be surprised and the different types of shapes we can find on our walk through the woods. Meet at the Nature Center. 11 a.m.-noon
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Tuesday, June 24, 2014

- **Animal Feeding Day.** Watch the animals in the Nature Center have lunch! Watch the box turtles munch on some salad. See the gartersnake slurp down a fish. Look at the treefrogs as they tackle a cricket or two. Meet at the Nature Center. Starting at 12:30 p.m.

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Sunday, August 3, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 8-10 a.m.
- **Animal Evidence Hike.** There's lots of wildlife at Devil's Lake, but we rarely see them. On this walk, we'll look for animal tracks, nests and holes, browsed plants and other animal evidence. Meet at the Nature Center. 11 a.m.-noon
- **Drop in on Bats.** Bats are one of nature's misunderstood creatures. Drop in and find out which bats live in Wisconsin, dispel some bat myths, and learn about the bats at Devil's Lake. Activities will happen at the North Shore Beach by the Chateau. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Monday, August 4, 2014

- **Monday Strolls-Summer Colors Hike.** Pink, purple, greens-how many colors do you see? Join us for a stroll in the woods as we explore to see how many different colors we can uncover. Meet at the Nature Center. 11 a.m.-noon
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Tuesday, August 5, 2014

- **Animal Feeding Day.** Watch the animals in the Nature Center have lunch! Watch the box turtles munch on some salad. See the gartersnake slurp down a fish. Look at the treefrogs as they tackle a cricket or two. Meet at the Nature Center. Starting at 12:30 p.m.
- **Kayak Tour** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Wednesday, August 6, 2014

- **Nature Tales-Raccoons.** Join us for an hour of stories-naturally! Fun awaits your 3 to 8 year old as we check out who goes in search of breakfast after we go to bed? Why, raccoons of course! Meet at the Nature Center. 11 a.m.-noon
- **Exploration Station-Tracks!** Drop by the Exploration Station and make some tracks! See if you can read the stories animals tracks leave behind. You can even make a track to take home. These activities will happen outside the Nature Center. 1-3:00 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.

Thursday, August 7, 2014

- **Learn to Fish.** Want to try fishing but don't know what to do? Join our *Learn to Fish* program and we'll show you how! We'll have fun activities that will teach you the basics of fishing, before sending you off to catch some fish. If you are 16 and older, you'll need a fishing license. We'll supply all of the equipment and bait. Meet at the north shore boat launch. 9-11 a.m.
- **Explore Nature.** Come and explore the trails with a naturalist and find out what interesting things are out there. You provide the curiosity and we'll provide the investigating tools to help you discover the wonders of nature. Meet at the Nature Center. 11 a.m.-noon
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.
- **Moth Watch.** Do some moth watching! Check out the moth light station and see what's attracted to the nightlight. Or, take a self-guided walk to the moth bait stations and see what's attracted to our special moth juice. Drop in anytime to find out why moths rule the night! Meet at the Nature Center. Starting at 9 p.m.

Friday, August 8, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 8-10 a.m.
- **Habitat Hunt.** Go on a habitat hunt! Find out what's hiding, creeping, and lurking in the habitats around the nature center. Challenge yourself to see how many different things you can find. Meet at the Nature Center. 11 a.m.-noon
- **Exploration Station-Fur, Scat, Tracks.** Drop by the Exploration Station to check out some mammal furs, scat, and tracks! Try our identification game and see how well you know your animal signs. These activities will happen outside the Nature Center. 1-3 p.m.
- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 6:30-8:30 p.m.
- **Lawn Chair Bat Watch.** It's a great time to bring a comfy lawn chair and watch the bats! We'll park our chairs by the bat condo and watch the bats emerge from the houses. We'll have fun bat information and a bat scavenger hunt for the kids to do while the wait to the bats to emerge. Meet at the bat condo (near the north shore boat launch). Starting 8 p.m.
- **Exploration Station-GO! Geocaching.** Drop by the Exploration Station to learn to geocache! We'll show you how to use a GPS and then send you off on this high-tech treasure hunt. These activities will happen outside the Nature Center. 10 a.m.-noon

Saturday, August 9, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. Saturday, August 23, 2014

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 8-10 a.m.
- **Exploration Station-Photo Scavenger Hunt.** Drop by the Exploration Station to go on a scavenger hunt! You'll need to take pictures of what you need to find! Bring a camera or borrow one from the nature center. We have a very limited supply of cameras to loan. You'll even be able to turn one of your photos into a keepsake to take home. Meet at the Nature Center. 10 a.m.-noon
- **Animal Feeding Day.** Watch the animals in the Nature Center have lunch! Watch the box turtles munch on some salad. See the gartersnake slurp down a fish. Look at the treefrogs as they tackle a cricket or two. Meet at the Nature Center. Starting at 11 a.m.
- **Drop in on Cranes.** North America's tallest flying bird lives in Wisconsin. Learn more about the endangered Whooping Crane and the work being done to protect them. Test out your flight feathers with a scientist from the International Crane Foundation; touch crane feathers, bones, legs, and eggs; try to outsmart a Sandhill Crane; take a 'tiptoe' walk, and practice building a nest of your own. Activities will take place on the North Shore Beach by the Chateau. 1-3 p.m.

- **Kayak Tour.** Take a guided kayak tour and find a new way to explore Devil's Lake! As we paddle, we'll look for all sorts of wildlife (birds, fish, and mammals) and check out some of the geology and history too. There is a limited amount of space, so we ask you to preregister prior to the event. If you need to rent a kayak, please let us know when you register. The rental fee is \$25 for a single kayak and \$45 for a double. The kayak tours will start from the north shore boat launch. To register, please contact the Nature Center at 608-356-8301 ext. 140. 5:30-7:30 p.m.
- **Meet the Ranger.** Visit with a ranger to see what their job is like. Check out the equipment and the squad they use. See what you can do to become a Jr. Ranger Meet at the Northern Lights Amphitheater. 7:30-8:30 p.m.
- **Explore the Night Sky.** Join the Madison Astronomy Society (MAS) to learn about the night sky. MAS will have several telescopes set up and show you cool features about the moon, point you towards some winter constellations. This is more of an informal program where you can come anytime and the MAS volunteers will help you get to know the night sky. Meet at the north shore boat launch parking lot. 8-10:30 p.m.
